

God,

Your grace is sufficient
for my surrender.

I surrender this
moment to You
and choose
faith over fear.

AMEN

God,

I surrender this day to You.
You were faithful at the
cross and you are faithful
today.

Let Your grace cover the
day that is done and I look
forward to your new
mercies in the morning.

Now as I sleep let your
peace overwhelm me and
grant me sweet sleep.

AMEN

God,

I surrender _____ to you.

You are the Friend that met Abraham
on the mountain, You're the Father
that sent your Son to die and be
raised to life for me, and You're the
same good God right now meeting me
at my place of surrender.

In my surrender, in my weakness, as I
let go, let Your strength show up. I
choose faith over fear for what I am
facing right now.

Let your peace guard my heart and
mind as I surrender to you.

AMEN

Thank You for being a God who is good
enough to deliver me of all my fears and
concerns.

Just as David wrote in Psalms 34:4 "I
sought the Lord, and He answered me,
and delivered me from ALL my fears."

I know too there is nothing that I face
that you can't give me the strength and
peace to handle, but I surrender,
because I can't do it without You.

So today I choose to be anxious for
nothing, but I am bringing everything to
you in prayer with a thankful heart.

Thank you for the peace you give to me,
let it be a shield around my heart and
mind.

AMEN

Today I choose
faith over fear.

Today I
surrender and
rest in Your
strength.

Jesus, You didn't die for me to live
a partially free life.

You died and rose again so that I
could have life and live it to the
fullest.

I know that you created me on
purpose for a purpose to impact
the Kingdom.

So I surrender my life, my plans,
my family, to You and step into
the freedom of Your faithfulness
and peace.

AMEN
